

Thank you for downloading this postcard template!

Please follow the instruction below to send your message to your representatives to ensure your voice is heard.

POST CARD INSTRUCTIONS

Step One: Print the front and back of the post card on card stock or other heavy weight paper and cut it out.

Step Two: Write your message (we encourage all postcards to be civil and appropriate). The goal of this campaign is to be heard and inspire action, and not have our messages lost due to cruel or vile language.

Step Three: Before you stamp and send your postcard off, please share a picture of your postcard with the hashtags #postcards2politicians and tag @thebearandthefawn so we can share your work and inspire others

Step Four: Stamp and send off your message!

CONTENT OF MESSAGE

Need some help with what to write? Feel free to use our template:

Dear _____,

My name is _____ and I am from _____ (or I am your constituent). I understand the rights guaranteed in the 2nd Amendment, however will you continue to allow these tragedies to unfold against our children? I expect that you'll stand up against lobbies and vote for gun control legislation. I will be watching.

Sincerely,

ADDRESSES

To find your local House representative, we recommend searching for them here:

[http://www.house.gov/
representatives/find/](http://www.house.gov/representatives/find/)

To find all your representatives (local and state) head here:

<https://www.usa.gov/elected-officials>

For correspondence to U.S. Senators:

You can direct postal correspondence to your Senator or to other U.S. Senate offices at the following address:

Office of Senator (Name)
United States Senate
Washington, D.C. 20510

or by finding their state address at www.senate.gov
